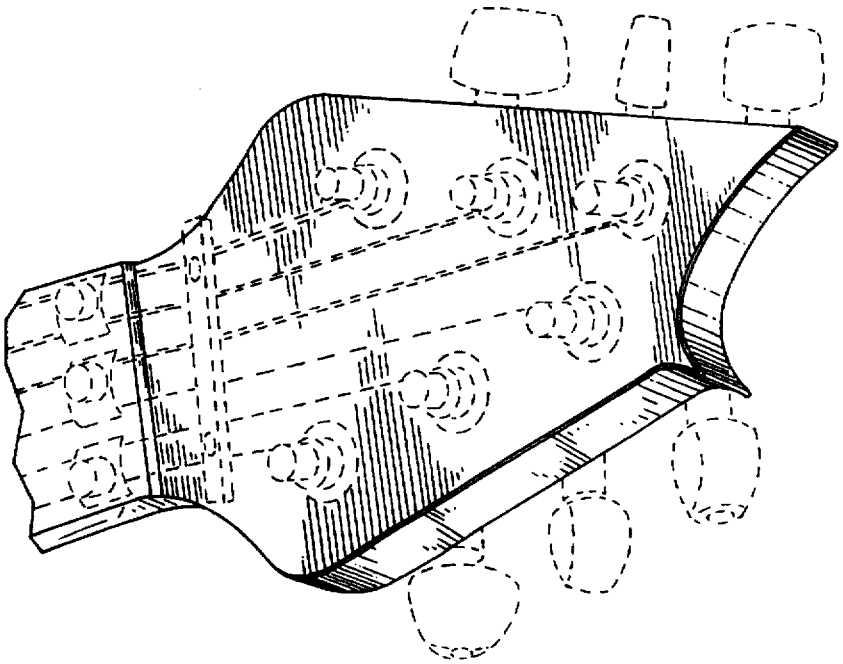
[57] **CLAIM**

The ornamental design for a guitar peghead, as shown and described.

DESCRIPTION

FIG. **1** is a front top perspective view of a guitar peghead showing our new design;
FIG. **2** is a top plan view thereof;
FIG. **3** is a first side elevational view thereof;
FIG. **4** is a second side elevational view thereof;
FIG. **5** is a bottom plan view thereof; and,
FIG. **6** is a front elevational view thereof.
The broken lines shown in FIG. **1** are for illustrative purposes only and form no part of the claimed design. Further, to avoid an obstruction of the environmental structure shown by the broken lines, FIG. **1** does not show the opening for tuning pegs.


1 Claim, 2 Drawing Sheets
