[57] **CLAIM**

The ornamental design for a portable data input device, as shown and described.

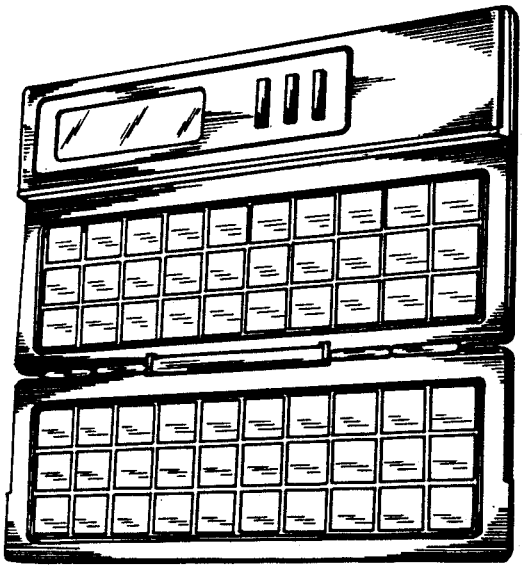
DESCRIPTION


FIG. **1** is a front elevational view of a portable data input terminal in a folded, closed state showing our new design;
FIG. **2** is a rear elevational view thereof;
FIG. **3** is a top plan view thereof;
FIG. **4** is a bottom plan view thereof;
FIG. **5** is a right side elevational view thereof;
FIG. **6** is a left side elevational view thereof;
FIG. **7** is a front, right perspective view thereof;
FIG. **8** is a front elevational view of the portable data input device of FIG. **1** in an unfolded, open state; and
FIG. **9** is a front, right perspective view of the data input device of FIG. **8.**
