(57) **CLAIM**

I claim the ornamental design for a miniature cellular telephone, as shown and described.

DESCRIPTION

FIG. **1** is a front, top and side perspective view of the miniature cellular telephone embodying the design of the present invention with an earplug storage compartment partially open and an earplug partially visible.

FIG. **2** is a top view thereof showing a stylus mounted thereon.

FIG. **3** is a front elevational view thereof with a front cover open and showing a digital display screen, a digital pad, a speaker, an earphone storage compartment partially open, and a window in the cover.

FIG. **4** is a bottom view thereof showing earphone jacks and a hinge for the cover of the earphone storage compartment which is shown in the closed condition.

FIG. **5** is a right hand view thereof with the cover open.

FIG. **6** is a left hand view thereof with the cover open; and,

FIG. **7** is a rear view thereof with an earplug compartment open and an earplug stored therein partially visible.
