(57) **CLAIM**

We claim the ornamental design for an illuminating bollard, as shown and described.

DESCRIPTION

FIG. **1** is an upper perspective view of an illuminating bollard showing the new design.
FIG. **2** is a side elevation view of the illuminating bollard shown in FIG. **1**.
FIG. **3** is a top plan view of the illuminating bollard shown in FIG. **1**; and,
FIG. **4** is a lower perspective view of the illuminating bollard shown in FIG. **1**.
The broken lines illustrate portions of the illuminating bollard that form no part of the claimed design. The gap illustrated in the images represents a symbolic break in length of an unclaimed portion of the bollard. The appearance of the article between these break lines formed no part of the claimed design.
