

US005236729A

United States Patent [19]

Schlecht et al.

[11] **Patent Number:** **5,236,729**

[45] **Date of Patent:** **Aug. 17, 1993**

[54] **OBTENTION AND USE OF COFFEE OIL**

[75] **Inventors:** **Klaus Schlecht; Olaf Wehrspann,**
both of Orbe, Switzerland

[73] **Assignee:** **Nestec S.A., Vevey, Switzerland**

[21] **Appl. No.:** **813,804**

[22] **Filed:** **Dec. 26, 1991**

[30] **Foreign Application Priority Data**

Jan. 17, 1991 [CH] Switzerland 00119/91

[51] **Int. Cl.⁵** **A23F 5/46**

Primary Examiner—Joseph Golian

[57] **ABSTRACT**

Coffee oil is separated from a filtered extract produced
by counter-current extraction and the separated oil is
incorporated into soluble coffee powder.
