B60J 1/18 (2006.01)

(57) **ABSTRACT**

A convertible top having a glass window attached to the top by positioning a ring around a window opening in the soft top and wrapping an edge of the window opening around at least a portion of the ring. An adhesive is positioned between the edge portion of the ring and the soft top and the glass window is positioned over the ring and secured thereto by an adhesive.
