

UNITED STATES PATENT OFFICE  
CERTIFICATE OF CORRECTION

Patent No. 3,185,574

May 25, 1965

John Lester Gabby et al.

It is hereby certified that error appears in the above numbered patent requiring correction and that the said Letters Patent should read as corrected below.

Column 5, line 20, beginning with "it has been found" strike out all to and including "is thereby defeated." in line 26, same column 5, and insert instead the following:

It has been found that protein materials which either hydrate and swell to provide a wet/dry ratio exceeding 1.8 or which are so finely divided that they fail to settle to this extent in the five minute period are unlikely to be satisfactory protein additives for the present wafers. The following table contains illustrative data for various protein preparations.

Signed and sealed this 7th day of December 1965.
